Notes:

(INITIAL BELOW) PLEASE READ THE FOLLOWING CAREFULLY, INITIAL AND SIGN

	ICSB-NE Fees for Semen collection, evaluation, freezing and initial storage are charged at the time of collection. Thereafter, an annual fee for storage will be applied to your account with ICSB-NE
	Additional charges for shipment, breeding and/or transfer will apply. These fees include Semen shipping preparation, shipping tank, tank rental, shipping charges to the requested destination, as well as the return of tank(s) used for shipment.
	International Canine Semen Bank - NE (ICSB-NE) agrees to collect, freeze and store the Semen from the above referenced canine. The frozen Semen will be available to the semen owner(s) for use and/or shipping; however, ICSB-NE cannot use or ship this or any Semen stored at ICSB-NE without properly completed Frozen Semen Release Form as well as the canine's registration form on file.
	Account balances must be current in order for frozen Semen to be released
	Late payment is subject to a 1% per month (12% APR) interest and a \$5.00 late fee for each month the payment for storage is overdue
	After 90 days of non-payment, the account will be considered inactive. All charges and late fees will need to be paid in addition to the unpaid balance in order to re-activate the account.
	After 180 days of non-payment the frozen semen will be subject to disposal and any of the unpaid balance will be submitted to a third-party collection agency for payment.
	Sperm cells do not have an indefinite lifetime, and the length of time that frozen sperm can be considered viable varies with every canine, and cannot be predicted. ICSB-NE cannot guarantee nor will ICSB-NE be liable for conception that uses semen that has been frozen and stored. Further, ICSB-NE cannot guarantee, nor will ICSB-NE be liable for the viability of frozen sperm and thawed, for use in artificial insemination
	In the event of loss and / or damage to frozen semen due to natural causes, weather, fire, storage/shipping tank failure, damage to the shipping tank, or delays in transit time, ICSB-NE will not be liable for the loss, replacement, or replacement value of the frozen semen.
